

Thank You!!

10/21/11

It was such an
honor to have been on
this Honor Flight to our
Nation's Capital!!!

It was wonderful!!!
Thanks to all who have
put in their time and
energy for us!!!

We will also "never
forget" as we have found
old friends and "new friends".
God Bless the United States!
it could only have
happened here!!!

Thank You Again
