

Jim, Mike and Staff -

Please accept this Honor Flight donation that comes with our deepest gratitude for the opportunity to be members of the September 19<sup>th</sup> WWII Never Forgotten Flight.

To be taken back to "the moment" that was "some 68 years ago" - brought back a multitude of memories that all came together in an emotional "high" that we shall never forget.

At the Sunday evening dinner we tried to join in singing our service songs (Navy - Anchors Aweigh and Air Force - Off We Go) only to have our efforts smothered by emotional reaction.

Please share our sincerest. Thank you with your entire staff and anyone else who was part of making this experience such a powerful and memorable occasion.

Our Grateful Regards,  
Ed & Vicki Bjorklund

P.S. Topping it all off - Having two of our sons as Guardians - was the "frosting on the cake"!
