To Mike J.
& Jim C. and
the hundreds of
volunteers for these
treasured memories. The
WWII memorial was so
impressive, as were all
of the other things we saw
and experienced. We have
our freedoms because of
our veterans. My wife &
I were there on 9/11 & saw
the Pentagon burn. We had to
come back here on a city bus.
Please accept this donation to
help keep it going for other vets.
