

Mr Campbell,

Thanks for a very
well done Honor Flight.

I'm impressed with the
total detail and planning.

The monuments are really
impressive - but I was
moved by the "Mail Call"
You really pulled it off in style
and the other thing was
the "reception Home" at the
airport, I got a single welcome
home from the bus driver who
drove from Camp McCoy to Wyzs. Thanks

a lot. Manon Brown
