

Hi Guys + Gals.

Just a note to let you know how much I enjoyed that "Honor Flight". you all surely had it well organized. to me, it was one of the highlights of my life.

One suggestion, though, on future flights you might arrange for that Channel 7 photographer to make DVD's of the trip. I'm sure all the Veterans would like to have one.

Once again, thank you! thank you!

Norm Haur

(23 Apr. trip)
