

Dear Never forgotten Honor Flight,

5-18, 2012

My father, Billy Fergot, and I recently traveled to Washington D.C. on the NFHF #8.

It was such a wonderful experience for us both. My dad's service to his country left a profound impact on his life that seems to have stayed with him all these years and it appears that the NFHF brought him some closure. The Memorials, the sight-seeing, the strangers shaking his hands and thanking him for his service, and the royal treatment from everyone involved in the NFHF gave the Veterans on the flight the recognition they so deserve, and hadn't yet received.

I would like to thank everyone involved in this great organization for making these trips possible. God Speed! Sincerely, Janet Fergot
