Dear Never Forgotten Honor Flight Board of Directors and volunteers:

How can I put into words what the May 7th Honor flight meant to me? It's almost impossible to explain my deep gratitude, for all your hard work to coordinate this awesome experience.

When I returned from Korea, there was no parade, hero's welcome or anything like that. So it made the reception we received at the airport in Washington, at the memorials and then again back here in Wausau when we landed to honor us, even more special.

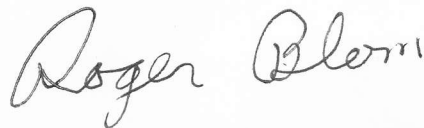

I know that you have all worked very hard to make this dream a reality for us old guys...and I truly appreciated it. Please accept my thanks, I can't stop telling everyone about how wonderful the day was and how I was treated like a hero!

My whole family was so impressed with how well organized the day was, and my son who accompanied me thought it was beyond wonderful. Keep up the hard work, it's truly worth it!

Thank you,

Roger Blom
