

Thank you for the opportunity  
to be part of the 9<sup>th</sup> NFHF  
& all you did for me on the  
trip. I very much liked  
viewing the memorials for the  
trip - it brought back a lot  
of memories. The trip truly  
was the "trip of a lifetime".  
I will never forget it.

Sincerely,  
Donald Richardson  
WWII Veteran
