

Again, our deepest thanks for everything and may the Lord continue to bless you and the wonderful experience you give to so many.

Sincerely,
Charles & Aline Luetke

Dear Board of Directors,

"Thank you" does not begin to tell you or show our deep appreciation for all you do to make each and every veterans experience on the 39th Honor Flight so organized and memorable for all of us. The volunteers we thanked said it was such an honor for them because of the wonderful Board of Directors they worked with. You should be very proud!
