

THANK YOU, THANK YOU!

...for people like you.

"It takes a village" of wonderful, dedicated people to manage the logistics and all the details of the Honor Flight. Without the donors it wouldn't happen. The Board of Directors and all the volunteers do an outstanding job. We were treated like royalty.

This was truly a trip of a lifetime for Jim - and the spouses were made to feel special, too.

Thank you. God Bless all of you.
