Never Forgotten Honor Flight

Please accept this donation of \$100.00 in memory of my father, Elio Argentati, who passed away on August 22, 2017. Elio truly enjoyed this trip and it meant the world to him. I had the wonderful experience of going along as his guardian on the April 2014 trip. The memories he created will forever live in his heart and soul, and he spoke of having this honor frequently, especially to other veterans who hadn't gone on the trip yet.

I cannot thank you enough for providing this once in a lifetime experience honoring our veterans. My father often said the welcome and gratitude he received from everybody he encountered on the trip far surpassed his welcome at home coming back from the war. That in itself says a lot about the significance and life changing importance of the Never Forgotten Honor Flight.

With Much Thanks,

Lori Grundy
