

Dear Honor Flight & Volunteers

On behalf of our extended family
we'd like to give you a heartfelt
thanks for the unforgettable days our
guys had for the Honor Flight on Oct.
9th. I'm sure some of you are Vietnam
vets & know the disdain these guys have

always experienced since their service. Mostly
they hide it and if anyone does find out they pretty much turn up
their nose & just say "oh." Even my husband's parents never met him
at the airport or had any kind of welcome home party. (for 4 sons)

So... this fantastic, unexpectedly wonderful trip and welcome
home at the airport has re-written that chapter for Mark, Tom & Harold
They have told everyone in superlative terms, what a
wonderful experience it was. Thank you so much
for all you did, & the memories you made for us.

Sincerely, Maureen Schloesser, for our whole family
