Subject: Donation in memory of family members who have recently passed away

Dear Sir or Madam:

Enclosed please find a check in the amount of one hundred dollars (\$150.00) made out to Never Forgotten Honor Flight. The donation is from family members of the extended Simon Family (descendants of Stephan and Margaret Simon of Bavaria, WI, and their families) and is made in memory of the family members listed below. It was agreed upon at our most recent family reunion held at Jack Lake near Antigo, WI on July 29.

- Stephan "Allen" Simon of Adams, WI
- Eugene Simon of Merrill, WI

Please note that Stephan (Navy) and Eugene (Marines) both served in our country's military.

We have placed no restrictions on the donation; it should be used where you feel it is most needed. Please provide an acknowledgement of receipt of the memorial donation and I will forward to the appropriate family members.

Thank you for your attention in this matter and please feel free to contact me if you have any questions.

Best Regards,

Michael E. Simon
