RE: Never Forgotten Honor Flight Donation

In July 2017 we held a birthday party in honor of our father Fred Dotter. In lieu of gifts we asked that donations be made to the Never Forgotten Honor Flight. We collected \$600 to that cause, which I am enclosing with this letter.

My father went on the Flight in April of 2014 and it is an experience that still causes him to tear up and we could not think of a better cause to donate to.

Sincerely

The Fred Dotter Family
