Never forgotten Honor Flight:

Please find enclosed a check that we would like to donate in honor of the late Melvin Hirsch. I spoke, on the phone, with Jim Campbell, and please thank him for his help and kindness he extended to me. He told me Melvin was on flight #2. Melvin was my sister-in-law's father (Ellen Klemp) and she went on the flight with him. My husband was selected to go on last April's Badger Honor flight. Our son went with him and it was an experience both will remember and treasure!!

So please use this donation in memory of Melvin Hirsch so another veteran can experience and enjoy the honor he/she deserves.

Sincerely,

Jerry + Barbara Lautenbach
