To The Never Forgotten Honor Flight

My husband, John A. Jesse,  
was a member of the U.S. Navy  
1942-1945, serving in the Pacific.

He was chosen for the Honor  
Flight April 2012.

John was so impressed by  
this wonderful trip.

John died Feb 15 2018. Family  
and friends have contributed to a  
memorial in his name for the  
Honor Flight. We hope this  
will give another veteran this  
wonderful experience.

Yours Truly

Shirley D. Jesse
