

# THE WALL OF TEARS

I will tell you a story that I think is sad.

The story is about the Viet Nam Vet, that was treated so

Each one served because they thought it was right.

How did they know, it wasn't really their fight?

Now "The Wall of Tears" shows the names of those who

Let's honor the Viet Nam Vet who has gone through hell

Nam Vets are heros to me, as much as others;

Those that are living or died, are our sisters and brothers.

Let's honor them now, and all through the years.

That is my story, of The Wall of Tears."

So let's not forget... The Viet Nam Vet.
