

3rd Annual Fundraiser for Never Forgotten Honor Flight Guardians

Please join us again this year in our fundraising efforts for the guardians who accompany our veterans to Washington, DC on the Honor Flight from 12 northern Wisconsin counties. The cost for each guardian is \$500.00. Donna's Showboat, located at 2182 County Rd. HH, Junction City, WI, 54443, is hosting its 3rd annual fundraiser on Sunday, July 29, 2018. Last year, we raised \$12,495.00 (funding the cost for 25 guardians), which we of course hope to exceed in 2018.

This fundraising event consists of a \$5.00 donation admission for free food, drink and entertainment. Gift baskets are created by several volunteers from donated items, then tickets are sold for those baskets. The more expensive donated items are raffled off by silent auction. We also do a 50/50 raffle.

Donations of any amount are greatly appreciated but our corporate sponsors are encouraged to give on the following levels:

Gold: \$500
Silver: \$250
Bronze: \$100

A billboard will be displayed at the event in recognition of all donations and their sponsorship level, in addition to a newspaper publication.
