April 24, 2018

An enthusiastic and insistent White Bus Veteran jammed a \$10 tip into my jacket pocket when we were unloading at DCA on April 23rd. He wouldn't accept my protestation that we HF volunteers don't accept tips and that he should make a contribution to the Hub. So here it is, with a like amount of matching funds from me.

See you folks next month.

Alan Lewis
White Bus Guide
