Never Forgotten Honor Flight
903 South 17th Avenue
Wasusau, WI 54401

Dear Honor Flight Delegation

I would like to thank you from the bottom of my heart for sending me on the recent Honor Flight. It was truly a humbling and heartfelt experience.

I was fortunate enough to have my daughter come down from Bethlehem PA, and be with me the whole day. We happened to be in the Linclon Memorial at the time French president Marcone came through. Quite a privilege!

It was amazing to me how well organized and smooth everything went from checking in, to the banquet, to the flight out, to going from memorial to mermorial, to the flight back, and to see so many people greet us at 10 o'clock at night.

You should be very proud of the job you did.

Thank you again I shall never forget it

Sincerely,

Carl Kringle
