Never Forgotten Honor Flight  
4404 Rib Mountain Drive  
Wausau, WI 54401

**Adams-Columbia  
Electric Cooperative**

To Whom It May Concern:

As we approach Memorial Day, the words of John F. Kennedy come to mind, *“As we express our gratitude, we must never forget that the highest appreciation is not to utter the words, but to live by them.”* In that giving spirit, a check from our organization’s foundation is enclosed for the Badger Honor Flight. We are pleased to be a part of this project that honors America’s veterans for all their contributions.

We are an electric cooperative located in central Wisconsin that serves members in twelve counties. Our board of directors acted to donate funds to four separate hubs in the State of Wisconsin that are representative of our service territory. Our board felt that this small token of appreciation was an appropriate gesture to also recognize those in our membership of 31,000 plus members, who in some way were a part of service to our great country.

Thank you for making it possible for Wisconsin’s veterans to visit and reflect at their memorials in Washington, DC. We all appreciate their service and sacrifices and are grateful, too, for the national Honor Flight Network for taking the initiative to organize and take action to make it happen.

Please be advised that although the check is issued from our Federated Youth Foundation, the official contributor is Adams-Columbia Electric Cooperative, and should be noted in any recognition as such.

Cooperatively Yours,

ADAMS-COLUMBIA ELECTRIC COOPERATIVE

Jay A. Porter  
Chief Executive Officer
