David Phelps  
1610 Lester St  
Schofield, WI 54476

Dear Mr. Phelps:

Thank you so very much for the Never Forgotten hat.

I received my hat when I went on the Honor Flight last November. I absolutely treasured owning it. I was proud to wear it daily and one day it was mysteriously gone. I remember the day, I was in church and saw a lady I wanted to greet. We talked and I remember going back to my pew to get my hat. I did get it and then went to my real estate office, because that's what Realtor's do, there's always something going on. The next day I could not find my hat. I tried searching my weak mind...where did I go after the office...I don't have a clue...and now it has been months. I can't believe I left it somewhere because I wear a hat in the winter. I'm just grateful to have a replacement. It is a treasured souvenir from a memorable experience.

Thank you so much and everyone/anyone else who made this happen.

Sincerely,

Tom Lee, Realtor (Staff Sergeant, United States Air Force)

David:  
This is for the Honor Flight fund. I made the check out to you...please cash it and put the money where it is supposed to go.

Thank you for all you have done for me, and no doubt so many others.

Tom
