RE: Donation

Enclosed is a donation we wish to make in appreciation for the memorable trip given to Tom on the Never Forgotten Honor Flight which he took on May 21st. Words cannot describe our thanks and appreciation to you, a superior outstanding organization, which honors our Vets and spouses with this trip of a life time. The dinner, entertainment, flight, spousal arrangements and hotel accommodations were outstanding. Our hats off to everyone.

Sincerely,

A handwritten signature in cursive script that reads "Tom & Barbara".
