

On behalf of the family
of Don Krueger, WWII veteran of
the US Navy, please accept these
memorials. This honor flight was
one of the best and treasured
memories we have. Being able
to be a shaparon on that flight
made it even more memorable
for us. As a side note, the other
individual I was in charge of
that day served in the honor
guard for my Dad's funeral.

Keep up the great work!
Our gratitude, love and prayers
are constant for the program.

God's Blessings,
Greg Krueger
