Dear Honor Flight —

Please accept this gift
in memory of Marv
Siske, Medford, Wisconsin.

Marv is the father of our
good friend & neighbor,
Lisa Raab.

Marv started Siske
Marine in 1964. At 93,
he still went into work
almost every day. After a
day at the shop and an
evening bowling in his
favorite league Marv
died peacefully in his
sleep on September 12th.

We celebrate Marv's
legacy and the fact
that he was healthy
& active his entire
life.

We are also grateful
that Marv & Lisa
took part in the April
2018 "Never Forgotten
Honor Flight." That
adventure meant the
world to Marv and it
will certainly be one of
Lisa's most treasured
memories of her father.

Thank you for your hard
work.
Judy & Rick Lombard
