

NEVER FORGOTTEN HONOR FLIGHT

I would like to donate on behalf of our father "Melvin Flannery", who was so honored to go to Washington DC on his flight. I see on your waiting list #246 Dell Max. We would like to see him go under our donation if possible. What a great gift to give to our Veterans! It left a great memory for our dad, and for us, his children, and grandchildren.

Melvin passed away on April 14,2017.

Thank you so for donating your time to make sure these veterans get this opportunity.

Thank you so much,

Melvin Flannery children,
