Gentlemen/Ladies:

Each month, our store solicits donations from our customers for a worthy charity or cause. Never Forgotten Honor Flight was chosen for the month of August, 2018.

At the end of the month, we total the donations from our customers and match that amount with a donation from our funds.

We are very pleased to enclose our check #1483, in the amount of \$527.00, for use by your organization. Our prayers are with you for your continued efforts.

Sincerely,

A handwritten signature in cursive script that reads "Ellyn Dahnke".
