

Many, many thanks to everyone volunteers
to make the honor flight possible - from
the top executives to the volunteers
that clear the tables at the spouse'
luncheon, you all are great & deserve
a hearty hand shake & a big hug. Not
only do you thank & honor our veterans,
you give our communities a venue
to honor & thank the veterans.

My husband was on the Sept. 17th
flight. He beams with pride as
he tells of his flight to D.C.

Thanks for all that everyone
does.
