Jim Campbell & Richard Jarvis
Never Forgotten Honor Flight
4404 Rib Mountain Drive, #234
Wausau, WI 54401

Dear Mr. Campbell and Mr. Jarvis,

I would like to thank you both for your patience and support in helping me sponsor two local (Medford, WI) Vietnam vets...John Kelley in 2014 and Alfred Lemke, Jr. last month (9-17-2018) for the Never Forgotten Honor Flights. I have heard great things about your program. I will continue to support your efforts in the future.

I am enclosing a copy of a piece that Al and Kathy Lemke wrote for the Medford Star News **Vox Pox**, praising everyone's efforts in organizing the recent 33rd Never Forgotten Honor Flight.

Sincerely,

Jackie Metzler

Says trip was amazing

I had the privilege and honor to be on the 33rd Never Forgotten Honor Flight. I was very humbled to be treated with so much respect. I am still in awe at the number of people who came out to CWA when 93 veterans returned from Washington D.C. on Monday evening. Everyone involved to put this event together, Thank You, Thank You. I will never forget it.

NorthCentral Never Forgotten Honor Flight from Wausau was fantastic. It is run by hundreds of volunteers with a board of directors. If it wouldn't be for sponsors and all the volunteers (including many from the Medford area) and fund raisers these Honor Flights would not happen. The minute we arrived Sunday, we were greeted by veterans at the door; volunteers at all stations to help assist my wife and I. The entire two day event was amazing. The respect received was incredible the full two days — respect we never received when we returned from Vietnam. The entire event was a trip of a lifetime.

To everyone, if you have an opportunity to go to CWA when a flight returns from the Honor Flight, you should go. It is very emotional and overwhelming. Our family and friends who attended Monday evening said it was unbelievable.

To all involved in the 33rd Never Forgotten Honor Flight, Thank You and God Bless!

— Al and Kathy Lemke, Medford
