

# Never Forgotten Honor Flight:

A Big heartfelt thanks to all involved in the Never Forgotten Honor Flight program. It truly was a trip of a lifetime. All Veterans feel so special and appreciated on these two very special days. The long awaited Welcome home, I felt brought closure to a journey that started almost fifty years ago. Please accept my donation to the program that will help another deserving veteran take a trip of a lifetime, and feel special.

Sincerely  
Ben Krejci
