Never Forgotten Honor Flight

4404 Rib Mountain Dr #234

Wausau WI 54401

Never Forgotten Honor Flight Staff,

The employees of Marathon County Department of Social Services are dedicated to helping others and to making our community stronger. Each month, in a demonstration of our Core Value of Shared Purpose, we host a "Casual for the Cause" day, where employees are invited to dress more casually for a donation to a community resource organization. This month, your agency was selected. Please accept the enclosed donation as a token of our gratitude for the work you do to support the community.

Sincerely,

Jenni Dalton

Economic Support Supervisor
