

Hi Dick,

These checks represent the proceeds raised from the Red Higgins & Freedom Train Classic Country Christmas Show held December 1 in Medford. Red always donates proceeds from the two shows to the NFHF. Even though it snowed, we had such a fun time. Red's company is Reli Entertainment LLC.

While they were setting up for the show, James Giese happened to stop by. When he found out what the fundraiser was for, he wrote out a check for \$500 as a donation. When I got the checks yesterday, I noticed his check was made out to Wisconsin Honor Flight. Will this cause a problem cashing? It's meant for the NFHF.

This holiday season, wishing you and your family many unforgettable moments shared with family and friends. Merry Christmas!!

Rocky
