Hello!

These donations came in as a memorial to my father, Allan (Farley) Thielke. Allan was a resident of Medford, WI, in Taylor County, and passed away in February of this year.

The checks were made out to the Never Forgotten Honor Flight directly. I apologize for the delay on getting these to you. They were filed incorrectly and I am just now able to send your way.

Thanks for all you do for these veterans. My father was able to do this flight and I believe it was one of the highlights of his well lived life. He spoke of it often and how happy he was others are able to attend.

If you have any questions or need my assistance please contact me.

Thank you,

Susan Thielke
