Never Forgotten Honor Flight

4404 Rib Mountain Drive, 234

Wausau, WI 54401-6606

Mike Thompson,

I was on Flight #33 in September. In spite of the rain it was a "Flight to Remember". Never having been to the D.C. area and with a great tour guide (Blue Bus) it was a very interesting tour even between the memorials.

I have enclosed a check for \$500. The trip was well worth it and hopefully it will give someone else the same opportunity.

Again, thank you for a fantastic day.

Sincerely,

Tom Leslie
