**Re: Never Forgotten Honor Flight**

We represent the Associate Advisory Committee (AAC) at the Stevens Point Service Center of Associated Bank. The AAC is responsible for organizing events for associates and fund raising within the Service Center.

At the Stevens Point Service each event is designated to the non-profit organizations that have been chosen by our colleagues and approved by the committee with all proceeds going to these organizations.

We have provided support for organizations such as the Family Crisis Center, Operation Bootstrap, American Cancer Society, American Heart Association, the Portage County Humane Society, and various other local organizations.

We held events throughout 2018 to help your organization and raised \$1,240.00. A check for that amount is enclosed.

Sincerely,

April Burclaw  
Associated Bank  
AAC Chairperson

Kassandra Jackson
