Never Forgotten Honor Flight  
4400 Rib Mountain Drive  
Wausau, WI 54401

Sir or Ms.

Each year our bank has a drawing where the employees chose a charity to have funds donated to. This year Brenda Dombrowski and myself chose the never forgotten honor flight and were the winners of the drawing. Both of us have had family members to serve in the military and felt this would be a way to honor their service.
