December 20, 2018

Hello,

Enclosed you will find a check for Never Forgotten Honor Flight, our November 2018 Charity of the Month! A friendly note that this amount was collected at our registers at check out and the entire amount was donated by our generous customers. Our aim is to help support local non-profits, as they provide so much support for the local community. Each month we are amazed at the generosity shown by our customers to help support the different local charities. Some of these customers are local, but many are from out of town, and we appreciate everyone's support of our local community. Since we have started the program we have collected over \$14, 000 for local non-profits.

We hope you enjoy the donation. Thank you for all that Never Forgotten Honor Flight provides for our local veterans. If you have any questions please don't hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kendra Graper'.

Kendra Graper
