Dear Never Forgotten Honor Flight, Inc.,

Enclosed is a check made payable to your organization. The proceeds are a combination of a campaign we promoted to contribute 10% of our December online order sales and a company match. We are honored to present you with this contribution and hope that it will help provide you with the resources you need to continue your endeavors.

Your organization goes above and beyond the call of duty in support of the men and women that have serviced our country. Thank you for all you do.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Pieczynski".
