

4-11-19

On the 7th of April I drove
my friends to Warsaw so my
friend Jim Lake could go on
the Honor Flight. What I didn't
expect was the way you in-
cluded me in all the functions.
I truly appreciated it.

Your staff and all the won-
derful volunteers were so gracious,
and everyone at the Hilton Garden
were also.

I would like to make a
donation, to help you
continue on.

Thank
you
Thank

My four brothers, the
Hobbes, were ~~one~~ of the
firsts to fly out from Moscow.

Gratefully,
Ray Stankowski

Thank you for taking
care of our veterans.
