

Dear Board of Directors of NFHF,
Thank you to all of you who gave
so much to make the 35th Flight
so memorable + unforgettable for
both of us. It was so special to
have our grandson accompany
Larry. The online pictures that
Dave took will give us opportunities
to enjoy the trip for years. As a wife
I found it so easy to talk with other
spouses & share our past experiences.
I know Larry felt the same way

thank you n
