We have enclosed a money gift of **\$248.99** that has been collected by members and friends of the Wesley United Methodist Church of Marshfield, Wisconsin.

This money gift was a result of money collected during the month of January as a mission outreach of our church.

Please feel free to make use of the money gift in the area you feel most needed.

May God bless you and the work your organization does to serve others.

With God's Blessings,

Leslie Plechaty
