

Never Forgotten Honor Flight

Wausau, Wisconsin

Dear Board of Directors,

Thank you for allowing me to join your Never Forgotten Honor Flight #36. It was an incredible experience filled with many memories and emotions.

When we turned into the parking lot of the Hilton Garden Inn we noticed all those people with red shirts scurrying around helping the veterans with their baggage. When we parked they approached us and would not allow us to carry anything. In fact, they carried our stuff all the way to our room!

We met my guardian and his dad downstairs in the USO. He was going to be the guardian for both of us. How fortunate I was to get to know him and his dad during this entire experience.

The flight to D.C., visiting the memorials, and just being with my fellow veterans was an experience I'll never forget. I have never been treated with more respect in my entire life. This was true where ever we went.

All those people waiting to greet us upon our return to the Central Wisconsin Airport gave me a feeling that I cannot describe.

Please thank the Ghidorzi Family, and all those who donated their time and effort in making this a success, for their kindness and generosity.

Thanks also to all of the volunteers and guardians that assisted us throughout this entire experience. It was greatly appreciated.

George and Judy Holck
