Never Forgotten Honor Flight  
Wausau, WI

Dear Never Forgotten Honor Flight:

We recently lost our dad, John Velinski. Dad served in Korea, 1951-1953. He was proud to be a Veteran and serve his country. He was fortunate to have visited the Korean War Veterans Memorial in Washington, DC.

My siblings and I have fond memories of yearly family fishing trips to Mercer, Wisconsin. Please accept this donation in my Dad's honor to help a fellow Veteran experience a Never Forgotten Honor Flight.

Sincerely,  
The Velinski Family
