

5-19-19

To the Honor Flight Board of Directors,

Thank you so much for inviting Sandy and me to the May pre-flight dinner. It was so nice to see everyone again, and your hospitality was most appreciated. As always the veterans we met were most inspiring. Our best wishes to you for continued success.

I want you all to know how much I appreciated the opportunity to serve with my playing. I miss it greatly. The nerves in my hands are damaged (from Chemo) too much for me to play. The memories I was able to make with all of you are now more priceless than ever.

Thank you again, my friends.

Sincerely, Mike DeSciscio
