

Jim -

Thank you so much for
such a special day on the 36th
Never Forgotten Honor Flight!
I truly appreciate the
opportunity to be such a
small part of the day and
helping share some of their
stories! What you and Mike do
for our area veterans is
truly amazing! I have come
across so many community
members talking about their
experience / gratitude for the
Honor Flight! Thanks again! ☺
You ROCK!
