

Dear NFHF Committee,

I can't thank you enough for the opportunity that you gave me to go on Honor Flight # 36. It was a day that I will always remember. The welcome that we received in Washington D.C. and at the E.W. airport in the evening was overwhelming. It's hard to believe that people could be that caring and committed to supporting us vets, that much! A far cry from what I received at the Seattle/Tacoma airport in 1969. The evening before was wonderful too.

The sights in Washington DC were very inspiring. The care that the guardians gave us was exceptional. My guardian, Chuck Thompson, was really great! Mail call was also

a great part of the trip.
Thanks also for taking such
good care of the spouses when
we were on the flight.
Again, thank you "from the
bottom of my heart" for all that
you did.

You made such a difference,
and it is so deeply appreciated.

... ✨ ...
With sincerest appreci-
ation,

Dennis R. Herzberg
