

James, I was on the 36th Never Forgotten Honor Flight in May. Sorry it's taken so long to respond. But I want you to know what a wonderful day it was. A day I'll never forget. It has changed my entire outlook on the return home, and the feelings I carried with me all these years. It has helped me dealing with anger that I held all these years on what I thought about the coming home part. I didn't realize how much people cared and treated everyone. Your organization is the best from the start to the finish. I wish I could thank everyone personally. All the staff and the volunteers were exceptional on making the day perfect. Words cannot express how much everything was appreciated. The mail call was unexpected and amazing. I never realized how much my family and friends thought of me. Again THANK YOU very much. You don't realize what a difference you make in people's lives... And a big Thank You for all the photos taken. He did an exceptional Job. It was all truly amazing. From one happy vet--- Ed Fuhrman
