Never Forgotten Honor Flight
4404 Rib Mountain Drive #234
Wausau, WI 54401

Dear Honor Flight,

Please accept this donation from the associates of Ascension WI to be used towards whatever is needed to send our veterans on the Honor Flight. We recently had a fund raiser at our hospital locations for the Honor Flight during our Mission and Values Week. This is the cash that was collected from one of our hospitals and inadvertently did not get added to our original donation.

Thank you so much for all you do for our veterans. My father is a Korean veteran but has dementia so is not able to go on an Honor Flight which is a regret of mine as I think this trip is such a healing experience for our veterans. Your organization has done an amazing job of raising awareness for all our veterans have sacrificed and your recognition of them is so touching and needed.

Sincerely and Gratefully,

Jana Nelson
