Please accept these donations in Memory of Richard L. Lau - a Korean vet who flew to DC on Mission #19 - April 27, 2015. The trip was a very special event for him.

Richard died peacefully at his home in WI Rapids on April 28, 2019 under the care of his family & respect. It was his dearest wish that he could die at home & we were able to make it happen. He peacefully slipped away surrounded by his family, including 3 of his great grandchildren.

Thank you, for all you do, to
honor our veterans.

Sincerely,

Dan & Ruth Nelson-Lan
