

In honor of Dennis Krenzke

I met Dennis of all places in a tavern and he mentioned that he was a vet and i asked him if he was ever to see the wall and he said No. I asked him if he would like to go and he of course said yes. I said i would get him there and asked me if i would go along and i asked him if he had anybody he would like to take and he said his son so i said take him along.

So Dennis thank you For your Service and Enjoy

Sincerely  
Dan
